SESSION NINE

9.0 Student Achievement
9.1 First Period Interim Financial Report as of October 31, 2017 and Local Control and Accountability Plan (LCAP) Update
Jayne Christakos, CBO, directors Marie Espinoza, Janet King, and Terry Commick presented and principals Alicia Faz and Natalie Raymundo shared the benefits of LCAP funding at their sites (Attach. A).

Business Services prepared the 2017-18 First Interim Report that provides an update on the financial position of the district as of October 31, 2017. This report includes all known adjustments to revenues and expenditures in the current year as well as projections for the two subsequent years.

The Education Code, as updated by AB1200 and AB2756, requires school districts to
Board of Education Meeting Minutes

report on their financial condition at the time of budget adoption and after closing the
books with the unaudited actuals. Two interim reports are also required during the Fiscal
Year for the periods from July 1 – October 31 (first period), and from July 1 – January 31
(second period).

First Period Interim Financial Report

The First Interim report consists of projections for ADA (average daily attendance),
Local Control Funding Formula (LCFF), and summary of revenues, expenditures, and
fund balance of the General Fund for the current and subsequent two years. Other funds
of the District have been included in this report as well. This report also includes a
current year Cash Flow Projection, a Summary Review of State Financial Criteria and
Standards, and a Certification that the District will meet its financial obligations for the
current and subsequent two years.

The Board of Education approved the Fiscal Year 2017-18 Adopted Budget on June 27,
2017. In addition, budget changes have been brought to the Board to update revenues
and expenditures as well as the overall financial condition of the District as they occur.
This includes the Governors’ Adopted Budget for 2017-18 that provided minor changes
in LCFF funding and additional One-Time Mandated Cost Revenue. These changes are
reflected in this report.

Current sections of the Education Code, which were revised by AB1200 and AB2756,
require the governing board of the school districts to certify that the District will meet its
financial obligations for the current Fiscal Year and the subsequent two Fiscal Years.
Based on the current information for revenues and expenditures for the subsequent two
years, the district meets those criteria.

School districts self-certify their fiscal condition. With a positive certification, the
district asserts that it can meet its obligations in the current and succeeding two years. A
qualified certification indicates a budget shortfall in the two subsequent years. Finally, a
negative certification indicates an impending cash shortfall for either the current or one
subsequent year.

Based on the definition above, the Board of Education may approve this First Interim
Report with a **positive certification**. It was recommended that the Board of Education
approve a **positive certification** for the First Interim Financial Report for Fiscal Year
2017-18, as of October 31, 2017, with accompanying resolution which is required by San
Bernardino County Office of Education.

Board Member Hill left the Board meeting at 8:50 pm.

Board of Education Meeting Minutes
December 5, 2017

WHEREAS, in or about January 15, 2008, the Governing Board of SBCUSD approved the Charter for the SOAR Charter Academy ("SOAR"), and since that time the District Governing Board has renewed the Charter, with the current term ending on June 30, 2018; and

WHEREAS, on or about September 22, 2017, SOAR delivered to the District, a Charter School Petition for renewal of its Charter for a five-year term from July 1, 2018, through and including June 30, 2023; and

WHEREAS, in accordance with the Charter Schools Act of 1992, the renewal Charter Petition was brought to the District Board meeting of October 17, 2017, at which time it was received by the District Governing Board, thereby commencing the timelines for District Board action thereon; and

WHEREAS, in compliance with California Education Code Sections 47605 and 47607 and California Code of Regulations, Title 5, Section 11966.4, the Governing Board is required to approve or deny the request for charter renewal within sixty (60) days of the Governing Board's receipt of the renewal petition, unless that timeline is extended for up to thirty (30) additional days by mutual written agreement of the parties; and

WHEREAS, the parties mutually agreed in writing to extend the timeline for the District Board to take action through and including December 5, 2017; and

WHEREAS, pursuant to Education Code Section 47605, a public hearing on the provisions of the Charter was conducted on November 7, 2017, at which time the District Board considered the level of support for this Charter by teachers employed by the District, other employees of the District, and parents;

WHEREAS, in reviewing the Petition for the renewal of the SOAR Charter, the Governing Board has been cognizant of the intent of the Legislature that charter schools are and should become an integral part of the California educational system and that establishment of charter schools should be encouraged; and

WHEREAS, in accordance with Education Code Section 47607(a)(3)(A), the District Governing Board has considered increases in pupil academic achievement for all groups of pupils served by SOAR as the most important factor in determining whether to grant SOAR's renewal request; and

WHEREAS, in accordance with California Code of Regulations, Title 5, Section 11966.4(b)(1), in considering SOAR's renewal petition the District Governing Board considered the past performance of SOAR's academics, finances, and operation and future plans for improvement in evaluating the likelihood of future success; and

WHEREAS, District legal counsel and District staff have reviewed and analyzed all of the information received with respect to the Petition, including information related to the

WHEREAS, in reviewing and analyzing the renewal Charter, District staff noted some issues and concerns and determined that certain changes and revisions to the Charter Petition were necessary in order to support the requested Charter renewal. The District administration worked with SOAR on resolution of these issues and implementation of the necessary changes, additions, and revisions and SOAR has agreed to incorporate these changes, additions, and revisions into the Charter and the corporate Bylaws; and

That the Governing Board of SBCUSD finds the above listed recitals to be true and
correct and incorporates them herein by this reference.

That the Governing Board has confirmed that SOAR has met the minimum requirements
for renewal of a charter pursuant to Education Code Section 47607.

That the terms of this Resolution are severable. Should it be determined that one or more
of the findings and/or the factual determinations supporting the findings is invalid, the
remaining findings and/or factual determinations and the renewal/denial for failure to
comply with the conditions of the Charter shall remain in full force and effect. In this
regard, the District Board specifically finds that each factual determination, in and of
itself, is a sufficient basis for the finding it supports, and each such finding, in and of
itself, is a sufficient basis for denial.

BE IT FURTHER RESOLVED AND ORDERED that the Governing Board of the San
Bernardino Unified School District hereby renews the Charter, subject to necessary
changes being made to the corporate Bylaws and conflict of interest policy and submitted
to the District by January 31, 2018, for a term from July 1, 2018 through and including

District’s satisfaction and brought back to the District for final consideration by January
31, 2018, unless the District Board deletes the condition or extends the deadline for
compliance therewith.

BE IT FURTHER RESOLVED AND ORDERED that the Governing Board of the San
Bernardino City Unified School District hereby renews the SOAR Charter, as attached
hereto as Exhibit “A,” for a renewal term from July 1, 2018, through and including June
30, 2023. As part of the renewal process, SOAR made numerous revisions to the Charter
document from that submitted on September 22, 2017. The terms of the revised SOAR
Charter attached hereto as Exhibit “A” shall be in full force and effect for the renewal
term.

12.3 Resolution of the Governing Board of the San Bernardino City Unified School District
Approving the Rescheduling of Governing Board Member Elections from Odd-
Numbered Years to Even-Numbered Years, in Accordance with Elections Code Section
1302 and Senate Bill 415, and Requesting the Approval of the County of San Bernardino
to Consolidate the Same with the Statewide General Election Pursuant to Elections Code
Section 10404.5

Upon motion by Member Tillman, seconded by Member Medina, and approved by the
affirmative vote of Members Flores, Gallo, Medina, Rodgers, Tillman (Noes: None), the
following was adopted:

33
WHEREAS, on September 1, 2015, Governor Brown signed Senate Bill 415 (Reg. Sess.), codified at Stats. 2015, ch. 235, enacting Elections Code Sections 14050-14057, which would authorize voters to seek a court order to change local elections dates to even-numbered years if voter turnout in odd-numbered year local elections is substantially lower than the average in recent statewide elections; and

WHEREAS pursuant to SB 415 Section 14052(b) a political subdivision may hold an election other than on a statewide election date if, by January 1, 2018, the political subdivision has adopted a plan to consolidate a future election with a statewide election not later than the November 8, 2022 statewide general election; and

WHEREAS pursuant to San Bernardino City Unified School District Board Bylaw 9110, the San Bernardino City Unified School District (District) conducts its elections for members of the Board of Trustees in November of odd-numbered years (e.g., November 2017) pursuant to Education Code Section 5000 and Elections Code Section 1302(a); and

WHEREAS in order to change its regular election date, SB 415 and Elections Code Section 1302(b) require the District to adopt a resolution changing its regular election date to the same day as the statewide general election, which is held in November of even-numbered years; and

WHEREAS, voter participation is greater for statewide general elections than for odd-year local elections, including school board member elections; and

WHEREAS in order to ensure compliance with SB 415 and the belief that the public interest would be better served by election of its Board members in even-numbered election years, held in conjunction with the statewide general election; and

WHEREAS the Board further recognizes that there may be cost savings to the District resulting from aligning the District’s elections with the statewide general elections; and

WHEREAS as a result of these facts, it is the intent and desire of the Governing Board of the District to change its regular election to the statewide general election held in November of even-numbered years.

WHEREAS if approved by the Board of Supervisors of the County of San Bernardino, it is requested that the new election date be moved to November of even-numbered years commencing in November 2020. The term of office of incumbent Board members will be extended by one year: terms expiring in 2019 would expire in 2020; terms expiring in 2021 would expire in 2022.
